San Raffaele

IPITA 2025

All Italian centers involved in pancreas and beta-cell transplantation and research support **Pisa as hosting destination for the 2025 IPITA World Congress**. After a successful First World Consensus Conference on Pancreas Transplantation in 2019, this event offers a **new opportunity to explore new evidences and expand discussions on islet and stem cell transplantation and research**, with a second edition of the Consensus Conference.

Why Italy?

Perfectly located in the center of Europe
n.1 Country per **World Heritage Unesco Sites** (53)
More than **10 International Airports**
More than **30 Mln passengers per year**
The oldest University in Europe (Bologna)
The largest standing Amphitheatre
in the World (Colosseum)
The smallest Country in the World (Vatican)
The biggest Tiramisù ever made (273.5m)

Accessibility

Italy: **perfect destination** for travelling from all over the World
Pisa: conveniently located, full of history and traditions, **opportunities and fun.**

Turning events into an **unforgettable experience.**

Art and Food

Tuscany is one of the **most attractive brands worldwide.** It combines a **millenary tradition of food and wine** with unique historical and landscape scenarios, creating an **unforgettable setting** for your event.

Venue

Two Choices:

- 1. Palazzo dei Cavalieri:** an historical building from 16th Century
 - 2. Polo della Memoria San Rossore:** built in 2020.
- Both **located in the city center**, they offer multiple **meeting rooms, auditorium and large halls** and are fully equipped with **state-of-the-art congress technology** and stable internet connectivity.

Sustainability

Pisa: a true **eco-sustainable city.**
Older means of transportation are joined by brand new **"green" vehicles**
Half of the daily traffic is made up of **bicycles**
Sharing mobility has literally invaded the city.
